

My camper is not staying for the overnight

If your camper is not planning to stay for the overnight you will need to pick them up at camp. There is no bus service out of camp on the second Thursday.

If possible, we suggest your camper stay until campfire is over. That gives them the opportunity to cook and eat with their unit.

Campfire starts at 7:30 PM and you are welcome to come to campfire and leave after it's over or pick your daughter up before campfire.

If you are picking her up and leaving before campfire we ask that you come to Headquarters, in the Oak Area to check her out, please do NOT go directly to her unit.

If you are coming and staying for campfire and leaving after, you do not need to check her out at Headquarters. Please come to the Oak Area and go directly to the fire ring, **not** to her unit. We suggest bringing a blanket or lawn chair for yourself.

Campfire starts at 7:30 PM and the park closes the gates at 8:00 PM. We have keys to unlock the gate and let cars out. At 8:45 PM we will dismiss Brownie units and all visitors who are leaving. At that time we will open the gates for parents and any campers who are leaving. We will stop each car at the gate and ask if you have a camper, you will **not** need to check your camper out at Headquarters.

You are welcome to bring your camper back in the morning for breakfast and closing ceremonies. The gates open at 8:00 AM and we ask that you bring your camper to Headquarters and check them in so we know they are back in camp

Don't forget the buses roll from camp at noon, pick up times for each bus are on the camp website under bus schedules.
